Attachment: Resolution 13-87

RESOLUTION

ADOPTING REVISIONS TO THE PUBLIC INFRASTRUCTURE MAP FOR THE NORTH SHORE SUSTAINABLE COMMUNITIES PLAN AREA, NORTH SHORE, OAHU, HAWAII.

WHEREAS, the Public Infrastructure Map for the North Shore Sustainable Communities Plan area has been adopted by the Council in Resolution 00-265, FD1; and

WHEREAS, a project has been proposed to construct an approximately 2,800 square-foot canoe halau on a portion of a parcel yet to be determined within what is known as Haleiwa Regional Park, as shown in Exhibit A; and

WHEREAS, this project would fulfill a community request that dates to 1998 and will provide a safer venue for canoe racing by allowing multiple clubs to house their canoes on-site, which would eliminate the need to transport canoes long distances into a highly-congested event area; and

WHEREAS, this proposal would be consistent with the General Plan, the North Shore Sustainable Communities Plan, and the appropriate functional plans; and

WHEREAS, Chapter 4, Article 8, Revised Ordinances of Honolulu, 1990, as amended, provides that the Department of Planning and Permitting shall have 75 days following introduction of this Resolution to review this proposal, consult with other governmental agencies and with appropriate community organizations, and prepare a report making a recommendation to the Council; and

WHEREAS, the ordinances further provide that unless a report is received by the Council, no action on the Resolution shall be taken prior to the expiration of the 75 days except on a motion supported by two-thirds of the entire membership of the Council; now, therefore,

BE IT RESOLVED by the Council of the City and County of Honolulu that whether or not a report from the Department of Planning and Permitting has been received by the Council within the 75 day period, the Public Infrastructure Map for the North Shore Sustainable Communities Plan be revised to add a government building symbol ("GB") for the construction of a canoe halau as shown in Exhibit A; and

BE IT FURTHER RESOLVED by the Council that the GB symbol shall be deleted from the Public Infrastructure Map by administrative procedure once completion of the project has been certified in writing by the applicant/agency to the Department of Planning and Permitting and the Council; and
